Project Report: Change Log

File: `docs/report/main.tex` → `main.pdf` · 32 → 36 pages

1. Identity details

Item	Before	After
Report type	Internship report	Group project report
Students	[STUDENT NAME], [ROLL NUMBER]	Ayush Verma (230102017), Charan Tej (230104002)
Supervisor	[FACULTY ADVISOR]	Dr. B. Somaraju, Assistant Professor, Department of ECE (email somaraju@iiitmanipur.ac.in)
Course	none	Project II (EC4201), 7th Semester
Date	[MONTH, YEAR]	November, 2026; Place: Senapati, Manipur
Voice	"I / my"	"we / our" throughout

2. Internship items removed

- "Internship Documents" page: removed.
- Running header "B.Tech Internship Report | Department of ECE | IIIT Senapati, Manipur": removed.
- Declaration and certificate text "during the internship at [ORGANIZATION NAME]": replaced by the department's project wording.
- Section 1.2 "Internship Overview" and 1.6 "Scope of the Internship": replaced by project sections.
- The organization "(in-house project)" line: removed.
- Check: the word "internship" appears 0 times in `main.tex` and in the PDF text.

3. Page format

Item	Before (IIIT template)	After (Major Project Report)
Paper	US Letter, margins 0.8 in / 1 in	A4, 1 in all round
Font	Times New Roman 12 pt	Default LaTeX font (Computer Modern) 12 pt
Line spacing	Single	1.5 (title page single)
Header	Template text on every page	None
Footer	"Page N"	Page number only, centred
Page numbers	Arabic from the cover	No number on the title page; roman (i, ii, ...) for the front matter; arabic from Chapter 1
Chapter title	"Chapter N" + title, right-aligned	"CHAPTER N" + UPPERCASE title, centred
Appendices	One page, sub-headings	"APPENDIX A-D" chapters, listed in Contents

4. Front matter

Page	Change
Title page	Department layout: title, "submitted in partial fulfillment...", Submitted By (both names + roll numbers), 7th Semester, Supervised By, logo, department, institute, date
Declaration	Department's academic-honesty text (plural); two signature blocks; DATE and PLACE
Certificate	Logo + department header, supervisor block with email, "To Whom It May Concern", course Project II (EC4201), supervisor signature, Examiners 1-4 (two per row)
Abstract	Group voice, 3 paragraphs
Acknowledgement	Thanks the supervisor, HoD, Director and faculty; signed by both students
Contents	Now lists the front-matter pages and sub-sections (depth 2)
New	LIST OF ABBREVIATIONS (25 terms) and LIST OF SYMBOLS (9 symbols)

5. Chapter map (old → new)

Old section	New location
1.1 Background	1.1 Overview
1.2 Internship Overview	1.3 Problem Statement and Key Contributions (new work-division table)
1.3 Problem Statement	1.3 Problem Statement and Key Contributions
1.4 Motivation	1.2 Sign Language Accessibility and Wearable HUDs
1.5 Objectives, 1.6 Scope	1.4 Objectives and Scope
(new)	1.5 Report Organization
2.1 Relevant Concepts	2.3 Theoretical Background (2.3.1-2.3.4)
2.2 Existing Technologies	2.1 Existing Approaches and Limitations
2.3 Literature Survey	2.2 Review of Related Work
2.4 Identified Gap	2.4 Identified Gap and Technical Requirements
3.1 Overall Workflow	3.1 Design Methodology and Implementation Flow
3.2 Materials/Tools	3.2 Hardware and Software Tools
3.3 Design Methodology (sub-parts)	3.3 Electronics, 3.4 Firmware, 3.5 Optics, 3.6 Enclosure, 3.7 Sign-Recognition Software
3.4 Procedure	3.8 Integration and Test Procedure
3.5 Week-wise Summary	3.9 Phase-wise Work Summary
4.1-4.5 Results	4.1 Bring-Up, 4.2 Electrical, 4.3 Display Timing, 4.4 Optics, 4.5 Enclosure, 4.6 Comparison
Ch. 5 Challenges and Problem-Solving	4.7 Challenges and Solutions
Ch. 6 Learning Outcomes	Removed (not in the department format)
7.1 Conclusion, 7.2 Key Achievements	5.1 Conclusion

(new)	5.2 Limitations and Assumptions
7.3 Future Scope	5.3 Future Work
Appendices (one page)	Appendix A Wiring and BOM, B Firmware Excerpt, C UDP Interface and Test Tools, D Bring-Up Test Sketches

6. Unchanged

- Title of the work, all measured numbers, equations, tables and results.
- All 10 figures (TikZ diagrams and OpenSCAD renders) and the 12 references.
- Short bullet-point style.

7. Please confirm

- **Course code:** Project II (EC4201), 7th Semester (taken from the department's Major Project Report).
- **Date:** November, 2026.
- **Work division:** Ayush Verma = sign-recognition software; Charan Tej = hardware, firmware, optics and enclosure (Table 1.1).
- **Supervisor designation:** Assistant Professor (from rf-ids-report.tex).

Build

```
cd docs/report && tectonic main.tex
sh docs/guide/build_pdf.sh        # rebuilds this change log too
```
